| 02.01 | Began review of School Improvement Plan. Plan is supposed to be reviewed by underrepresented groups such as non-native speaking parents and parents with special needs kids. Annie was going to try to make some contacts to fill that void on the Council | Annie |
| 02.02 | School Improvement Plan requires all parents to be made aware of grade-level expectations and in all languages represented at the school. Discussed how we might do this. Also discussed having a night time activity with kids and parents to show and highlight writing examples. | |
